ESCROWING BID DOCUMENTS

When Applicable

The Commission recognizes the unique, difficult, and costly task required of contractors to prepare bids for road and bridge improvements, and, therefore, directs the staff to put in place all processes necessary to preserve the confidentiality of the contractors' bid documents. Escrowing of bid documents will apply for major projects as determined by the Chief Engineer or Assistant Chief Engineer.

Execution of Documents

The Director, Chief Engineer, Chief Financial Officer, Assistant Chief Engineer, or the State Design Engineer, may execute agreements, affidavits, and related documents and expend funds for costs associated with the rental of safe deposit boxes, and for the opening and closing of escrow accounts using those safe deposit boxes or other secure storage facilities, for the escrow of contractors' and Departmental bidding records, in accordance with the contract language. These staff members may delegate to others under their supervision by written advisory filed with the State Design Engineer.
