

Missouri Highways and Transportation Commission Policies

Category: HIGHWAYS
Subcategory: Construction
Sub-Subcategory: Contract Administration

CONTRACT TERMINATION

The Chief Engineer shall develop procedures, specifications and processes regarding contract termination for the convenience of the Commission. The contractor shall be reimbursed by the Commission for such expenditures, as in the judgment of the Chief Engineer, are not otherwise compensated for, and as are required in preparing for and moving to the work, the intent being that an equitable settlement shall be made with the contractor. No claim for loss of anticipated profits shall be considered.
