**Category:** HIGHWAYS  
**Subcategory:** Construction  
**Sub-Subcategory:** Contract Administration

### STANDARD SPECIFICATIONS

Section 227.110, RSMo 2000, as revised, states that the state highway system shall be constructed in accordance with specifications. In keeping therewith, the Commission charges the Chief Engineer with the responsibility for preparation and upkeep of a publication containing requirements for material, equipment, construction, and other matters related to construction of Missouri's transportation infrastructure; however, in those cases where the Commission has adopted a specific policy, the provisions of the standard specifications will be in conformance therewith. This publication shall be made easily accessible to the public via the Internet and such other means deemed by the Chief Engineer to be beneficial to the public and MoDOT business partners.
