ENVIRONMENTAL APPROVALS

Documents required by a federal or state regulatory agency prior to authorizing MoDOT to proceed with planning, design, and construction of a proposed project may be approved and executed by the Director, Chief Engineer, Chief Financial Officer, Assistant Chief Engineer or State Design Engineer. These documents shall include, but not be limited to, documents providing analysis of the environmental effects or impacts of a proposed project and documents determining or suggesting that the proposed project is exempt or categorically excluded from such environmental analysis. These staff members may delegate to others under their supervision by written advisory filed with the State Design Engineer.
