

## IMPORTANT INFORMATION FOR CONSULTANTS WITH EXISTING MASTER AGREEMENTS

All of the current Master Agreements for hourly rate contracts will expire on May 23, 2009. The exception is a few General Service agreements recently executed. As a result of current budget constraints and limited project availability, the Professional Services Committee has chosen to exercise the one-year extension of the current agreements as needed. The one-year extension will be sought at the time a Memorandum of Understanding is being considered for execution from the district offices.

The extension clause can be found on page 3, Section 3 of the Master Agreement.

(3) TERM OF AGREEMENT: The Consultant's services are to commence upon execution of this Agreement and terminate on May 23, 2009 unless otherwise terminated prior to this date: (a) pursuant to the provisions of paragraph (12) of this Agreement, or (b) pursuant to execution of a new Consultant Services Agreement (Hourly Rate Fee Arrangement) for performance of the same professional services. ***Upon agreement of all parties, this Agreement may be renewed for an additional one (1) year term said term to begin on the day of termination of this Agreement.***

A solicitation for the development of new Master Agreements will be posted in the fall of 2009. If you are receiving this email, you are on the list of those who will be notified when the solicitation is posted on our website.
