The Mid America Association of State Transportation Officials, Subcommittee on Highway Transport formerly Mississippi Valley Committee on Highway Transport, will be an advocate for oversize/overweight transportation issues by partnering with industry to promote uniformity of laws and regulations to allow for the efficient movement of goods while providing uninterrupted traffic flow and a safe transportation system among member states.

In 2011, the organization changed its name to the Mid America Association of Transportation Officials to better reflect the location of the member states.

Goals

- To provide representation for the central region of the nation in regard to highway transportation issues.
- To provide a forum for discussion and share best practices as it deals with statutes, regulations and industry requests.
- To promote ITS/CVO applications that result in efficient movement of goods and a safe transportation system.
- To communicate the work and recommendations of this committee to state DOTs, the motor carrier industry and other organizations

Committee Chair

Scott Marion, Motor Carrier Services, Missouri
